Ph: +612 9898 0681

In this issue: Women Leading in Business, by John R Ferguson & Despina Melas Fergusson
The Inherent Power of Women in Business, by Noelle Harb & Tips From Successful Women, Forbes.

Women Leading in Business

John R Ferguson
Monopolies are very hard to break once they are formed. It is a fact that in most cultures, patriarchy and dominance is a very powerful tool to monopolise and auto-dictate the business culture of a society...

The decision that most difficult thing is the to act, the rest is merely tenacity.

Not only is the business paradigm in the forefront of business but we all are already facing the new phenomena technology has created for us and these will put in order of first appearance...

Future Class Leadership Academy

Your future is a road unraveled only by you unless you yourself are pre-occupied with planning the future.

Excel! Don't Compete!

The question isn't who is going to let me, it's who is going to stop me. - Ray Bradbury

Women Repeating The Past

Despina Melas Fergusson
General Manager
B.A.C.U.P. The Future Pty Ltd / Executive Coaching Sydney

Remember no one can make you feel inferior without your consent.

What most don't realise is they cause us to repeat the negatives of the past with more vigour until we are completely blinded by our passion to the fact that "I cannot be moved"...

What You Can Do

While I can list the empowering replacement phrases in the attributes of my two lists above, I think it best to let you complete that exercise yourself...

The Inherent Power of Women in Business

Noelle Harb
Master Life Coach and NLP Practitioner.

Let's look deeper at this and a few differences between men and women

1. Women's brains are wired differently to that of men's brains from birth
2. Women are more intuitive and are guided by their hearts.

Business Lullaby's and Serenades

These are commendable and neutralise or put business people and others to sleep!

One Thing That Got Me Here: Tips From Successful Women in Business, Music, Technology, Culinary Arts And More...

I'm lucky enough to know a lot of really smart, successful ladies, so I thought I'd ask them, I turned to my network - a diverse range of women at all of their stages in business, art, music, technology and more...

Self Test

Do I have the makings of a Business Owner? Check the boxes.
I can make money out of what I enjoy doing?

Are others making money out of what I enjoy doing?
Yes No
I don't know

Can I do it better?
Yes No
I don't know

My money is not an issue even when I have none?
Yes No
I don't know

I agree I disagree
I must sit down to do business even if I haven't completed all my personal stuff.

I agree I disagree
I love doing business more than anything else.

I agree I disagree
Working for a living takes so much out of me.

I agree I disagree
I live for my work because of what it gives me.

I agree I disagree
I am willing to do the work even if it's not my first choice.

I agree I disagree
I will learn as I go rather than go as I learn.

Though others fail me I will not fail myself.

I agree I disagree
Doing what I've said, is more important than saying what I will do.

I agree I disagree
Self management determines my time management.

I agree I disagree
I hate leaving things unfinished and I plan everything to a timetable to ensure completion.
